UC San Diego Health Physician Directory

Our physicians are recognized leaders in their professional societies, heading national organizations and committees dedicated to improving care and advancing knowledge about disease. They are prominently listed in publications such as America’s Top Doctors and U.S. News & World Report’s rankings of outstanding physicians and clinical programs.

Patient Access

Request an Appointment
Whether you’re looking for a primary care physician (PCP), need a specialist for treatment or are seeking a second opinion, you can make an appointment by following the steps below:

→ New Patients (who have never seen a UC San Diego Health provider)
  To register as a new patient and schedule an appointment, call 800-926-8273, Monday through Friday, 8 a.m. to 5 p.m.

→ Current Patients
  Contact your physician’s office directly to schedule an appointment or call the main switchboard number, 858-657-7000, and ask to be transferred to your physician’s office.

→ Find a Doctor
  To use our physician search website to find a physician by name or to search for a specialist, visit: doctors.ucsd.edu.

Referring Physician Access

Transfer a Patient
For hospital-to-hospital transfers, call 619-543-5709 (24-hour service) for instructions or to speak to a transfer coordinator.

Consultations
If you need to talk with one of our physicians about a case or if you have any problems or concerns, please contact us at 855-543-0555 from 8 a.m. to 5 p.m. We want to hear from you.

Refer Your Patient
Call Physician Access at 855-543-0555 or fax 888-539-8781 and our team will register and schedule your referred patient. You will receive follow-up communication (consultation notes, discharges, etc.), as well as access to our electronic medical record system, UCSD Link.

Blood & Marrow Transplant - BMT

A blood and marrow transplant (BMT) is an infusion of adult stem cells — a BMT is used to replace bone marrow that has been destroyed by disease, chemotherapy or radiation. Learn more about blood and marrow transplant at UC San Diego Health.

Dan S. Kaufman, MD, PhD
Hematologist
Professor of Medicine

Specialties:
Blood & Marrow Transplant - BMT, Cancer, Hematology/Blood Diseases
Subspecialty:
Leukemia & Lymphoma

Moores Cancer Center
Jacobs Medical Center

Contact:
New Patient Registration: (800) 926-8273
Direct Clinic Line: (858) 822-6600

Bio:
Dan Kaufman, MD, PhD, is a board-certified hematologist who specializes in caring for patients with blood cancers such as leukemia, lymphoma and myeloma. He is one of the physicians with the joint UC San Diego Health / Sharp Blood and Marrow Transplantation (BMT) Program, which provides patients with the unique opportunity to receive care from the same physician throughout all phases of blood cancer treatment. This includes initial consultation and diagnosis, treatment to help achieve remission, care during stem cell transplant procedures, and follow-up survivorship care. Dr. Kaufman’s expertise and areas of interest include cell-based immunotherapies, stem cells, regenerative medicine and natural killer (NK) cell-mediated therapy. He offers chimeric antigen receptor (CAR) T-cell therapy to adults with relapsed or refractory B-cell lymphoma, a type of non-Hodgkin lymphoma. CAR T-cell therapy harnesses the patient’s own immune cells to recognize and kill cancer cells. It is just one of many types of personalized cancer therapies offered at UC San Diego Health.

Hematology/Blood Diseases

Hematology (the study of “blood diseases”) is the branch of internal medicine that is concerned with the study of blood, blood-forming organs, and blood diseases. Learn more about hematology/blood diseases at UC San Diego Health.
