Bio:
Heline Mirzakhanian, PhD, is a licensed clinical psychologist who helps people cope more effectively with life issues and mental health problems. Dr. Mirzakhanian is the clinical director of UC San Diego Health’s early psychosis program, which specializes in treating adolescents and young adults who are experiencing changes in their thoughts, behavior or emotions that might be associated with serious mental health issues. Dr. Mirzakhanian’s expertise is in treating individuals with early symptoms of psychosis; schizophrenia; and bipolar disorder with psychotic features.
