Lawrence Ma, MD, is a board-certified pediatrician and internal medicine doctor who provides primary care for children, adults and seniors, including preventive care and diagnosis and treatment of acute and chronic diseases. He is a part of UC San Diego Health's pediatrics program, which offers comprehensive care for infants, children and teenagers, through all their developmental stages, in a supportive, family-friendly environment. Specifically, Dr. Ma's areas of care focus on children with complex medical problems and helping them transition to adult care. He also has advanced training in geriatric medicine, and has a special interest in maintaining the health and wellness of older adults as they transition through the stages of aging.
