Direct Clinic Line: (858) 249-2500

Bio:
Khai Nguyen, MD, is a board-certified internal medicine doctor and geriatrician who specializes in caring for older adults. He provides primary care to patients, with an emphasis on health maintenance, disease prevention, treatment of acute and chronic illnesses and preservation of function. As a geriatrician, Dr. Nguyen aims to keep seniors healthy and high functioning as they transition through the stages of aging. His expertise includes providing therapeutic and rehabilitative care for conditions or health concerns that are common among the elderly such as frailty, falls, incontinence, memory and cognitive problems, and medication-related side effects. He also has expertise in end of life care and advance care planning.
Surgery

The branch of medicine that uses surgery in the treatment of disease, injury or disorders. Learn more about surgery at UC San Diego Health.
