Physician Access: 855-543-0555
UC San Diego Health Physician Directory

Our physicians are recognized leaders in their professional societies, heading national organizations and committees dedicated to improving care and advancing knowledge about disease. They are prominently listed in publications such as America’s Top Doctors and *U.S. News & World Report*’s rankings of outstanding physicians and clinical programs.

**Patient Access**

**Request an Appointment**
Whether you’re looking for a primary care physician (PCP), need a specialist for treatment or are seeking a second opinion, you can make an appointment by following the steps below:

- **New Patients** *(who have never seen a UC San Diego Health provider)*
  To register as a new patient and schedule an appointment, call **800-926-8273**, Monday through Friday, 8 a.m. to 5 p.m.

- **Current Patients**
  Contact your physician’s office directly to schedule an appointment or call the main switchboard number, **858-657-7000**, and ask to be transferred to your physician’s office.

- **Find a Doctor**
  To use our physician search website to find a physician by name or to search for a specialist, visit: doctors.ucsd.edu.

**Referring Physician Access**

**Transfer a Patient**
For hospital-to-hospital transfers, call **619-543-5709** (24-hour service) for instructions or to speak to a transfer coordinator.

**Consultations**
If you need to talk with one of our physicians about a case or if you have any problems or concerns, please contact us at **855-543-0555** from 8 a.m. to 5 p.m. We want to hear from you.

**Refer Your Patient**
Call Physician Access at **855-543-0555** or fax **888-539-8781** and our team will register and schedule your referred patient. You will receive follow-up communication (consultation notes, discharges, etc.), as well as access to our electronic medical record system, UCSD Link.

Bio:
Lawrence Ma, MD, is a board-certified pediatrician and internal medicine doctor who provides primary care for children, adults and seniors, including preventive care and diagnosis and treatment of acute and chronic diseases. He is a part of UC San Diego Health's pediatrics program, which offers comprehensive care for infants, children and teenagers, through all their developmental stages, in a supportive, family-friendly environment. Specifically, Dr. Ma's areas of care focus on children with complex medical problems and helping them transition to adult care. He also has advanced training in geriatric medicine, and has a special interest in maintaining the health and wellness of older adults as they transition through the stages of aging.
Surgery

The branch of medicine that uses surgery in the treatment of disease, injury or disorders. Learn more about surgery at UC San Diego Health System.
