UC San Diego Health Physician Directory

Our physicians are recognized leaders in their professional societies, heading national organizations and committees dedicated to improving care and advancing knowledge about disease. They are prominently listed in publications such as America’s Top Doctors and U.S. News & World Report’s rankings of outstanding physicians and clinical programs.

Patient Access

Request an Appointment
Whether you’re looking for a primary care physician (PCP), need a specialist for treatment or are seeking a second opinion, you can make an appointment by following the steps below:

→ New Patients (who have never seen a UC San Diego Health provider)
   To register as a new patient and schedule an appointment, call 800-926-8273, Monday through Friday, 8 a.m. to 5 p.m.

→ Current Patients
   Contact your physician’s office directly to schedule an appointment or call the main switchboard number, 858-657-7000, and ask to be transferred to your physician’s office.

→ Find a Doctor
   To use our physician search website to find a physician by name or to search for a specialist, visit: doctors.ucsd.edu.

Referring Physician Access

Transfer a Patient
For hospital-to-hospital transfers, call 619-543-5709 (24-hour service) for instructions or to speak to a transfer coordinator.

Consultations
If you need to talk with one of our physicians about a case or if you have any problems or concerns, please contact us at 855-543-0555 from 8 a.m. to 5 p.m. We want to hear from you.

Refer Your Patient
Call Physician Access at 855-543-0555 or fax 888-539-8781 and our team will register and schedule your referred patient. You will receive follow-up communication (consultation notes, discharges, etc.), as well as access to our electronic medical record system, UCSD Link.

Hillcrest - Medical Offices North

Contact:
New Patient Registration: (800) 926-8273
Direct Clinic Line: (619) 294-3746

Bio:
Dr. Dobke graduated from the Medical Academy in Gdansk, Poland in 1974. He is board certified in plastic surgery both in the United States and Poland. Throughout his career, Dr. Dobke has combined the practice of plastic surgery with research. He has developed a large practice in cosmetic and reconstructive surgery, with a special interest and clinical expertise in aesthetic and reconstructive surgery of the breast, facial rejuvenation, and application of new technologies in cosmetic surgery. Recently, Dr. Dobke added research on stem cell technology for cosmetic and breast reconstructive surgery purposes to his expertise portfolio and is currently working on applications of telemedicine for the management of wounds and plastic surgery consultations. Tissue contouring with fillers (including permanent material Artefill) is available in his clinic.
Primary Care

Primary care is the basic level of medical care at which a patient is evaluated and treated by a nurse or physician, and if necessary, is then referred to a medical specialist. Learn more about primary care at UC San Diego Health System.
