Bio:
Michelle L. Leff, MD, is a board-certified pediatrician who specializes in the care of newborns. She also provides primary care for infants, children, and adolescents through all of their life stages. As a newborn hospitalist, Dr. Leff meets with parents and their babies during their postpartum stay in the hospital, providing daily care to infants. This care includes newborn examinations, screening tests and breastfeeding help, including frenotomies.
Primary Care

Primary care is the basic level of medical care at which a patient is evaluated and treated by a nurse or physician, and if necessary, is then referred to a medical specialist. Learn more about primary care at UC San Diego Health.
