O. Douglas Wilson, MD, is a board-certified pediatrician who provides primary care for infants, children and young adults up to age 21. He has experience in child development, pediatric cardiology, and pediatric dermatology.
Pediatrics - Newborn Hospital Care

Pediatric hospitalists care for newborns in the hospital setting only. They may provide care ranging from normal newborn care to emergent stabilization and resuscitation, if necessary. Pediatric Hospitalists also provide parents with advice and guidance about lactation and any other questions they may have regarding their newborn. Learn more about Newborn Care at UC San Diego Health.

Bio:
Michelle L. Leff, MD, is a board-certified pediatrician who specializes in the care of newborns. She also provides primary care for infants, children, and adolescents through all of their life stages. As a newborn hospitalist, Dr. Leff meets with parents and their babies during their postpartum stay in the hospital, providing daily care to infants. This care includes newborn examinations, screening tests and breastfeeding help, including frenotomies.
Primary Care

Primary care is the basic level of medical care at which a patient is evaluated and treated by a nurse or physician, and if necessary, is then referred to a medical specialist. Learn more about primary care at UC San Diego Health.
