He is a part of UC San Diego Health's pediatrics program, which offers comprehensive care for infants, children and teenagers, through all their developmental stages, in a supportive, family-friendly environment. Specifically, Dr. Ma's areas of care focus on children with complex medical problems and helping them transition to adult care. He also has advanced training in geriatric medicine, and has a special interest in maintaining the health and wellness of older adults as they transition through the stages of aging.
Primary Care (cont.)
